

Important Walt Disney World Planning Dates

Six+ Months Prior

Choose dates, resorts, tickets and dining plans as soon as possible! Planning early lets you have access to the best availability and selection.

180 Days In Advance

This is the day that you can make Advanced Dining Reservations (ADRs). Guests staying at a Walt Disney World Resort can make reservations for up to 10 days of their trip.

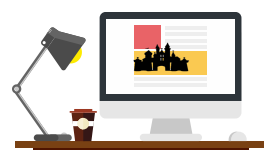

60 Days In Advance

Today is the day to make FastPass+ reservations. You can make FP+ reservations at 7:00 AM Florida time on the MyDisneyExperience site and app.

60 Days In Advance

Today is the first day you can complete on-line check-in. Sign into your MyDisneyExperience account and complete the process today.

30 Days In Advance

Walt Disney World packages must be paid in full 30 days in advance. Make sure your vacation package is paid in full today.

10 Days In Advance

Make sure you personalize your MagicBands at least 10 days in advance. Each person can choose a different color.

3 Days In Advance

This is the last day to purchase Memory Maker for your vacation at a discounted price. Save some money and capture those magical moments!

1 Day In Advance

Double check that you have packed your IDs, MagicBands, and get ready for some fun! Make some great memories!
