## SERVICES FOR GUESTS WITH DISABILITIES

Universal Orlando provides a welcoming, inclusive environment and accessible experience for our Guests. A complimentary Guide for Rider Safety and Accessibility is available online at [universalorlando.com/rg](http://universalorlando.com/rg) or at Guest Services. Ride Warning Signs can be found at the entrance of each ride to help determine the attractions that are suitable for guests based on their abilities.

For your enjoyment and convenience, all of our shopping and dining facilities are wheelchair accessible. Also, our stage shows and parade offerings have areas reserved for "Accessible Viewing", which are clearly marked with the International Symbol of Accessibility. With the exception of Hogwarts™ Express, none of the ride vehicles or attractions queues at Universal Orlando will accommodate ECVs or motorized wheelchairs. Guests may transfer from their EV or motorized wheelchair into a manual wheelchair that is provided at each attraction. There are specific boarding requirements and accommodations for those using wheelchairs at each attraction. If you are capable of transferring to the rider vehicle's seating (either by yourself or with the assistance of another person in your party), you may transfer.

American Sign Language Interpreters are available on a daily basis at no charge at select in-park live action shows located inside of Universal Studios Florida and Islands of Adventure.
